Long term ACCAW Member Kevin Day taking on his next project, following his recent retirement. Now that Kevin has ample hours to spend in the shed each day, Kev has deemed that after 30 years of ownership, his 1967 MGB Mk 1 has qualified for a complete refurbishment so he has started on a ground up restoration. Can't wait to see the finished product mid next year!

## ACCAW President John Hawking's November Message to Our Members.

The Sunday drive to see the 'Bald Archy' art exhibition in Corowa was a bit of culture, portrayed in a humorous way. Sam Kerr's backflip was a worthy winner of the satirical portrait prize; however, the portrait of mining magnate Gina Rinehart was defiantly a worthy contender. After viewing the exhibition, a enjoyable lunch was had at Club Corowa. Thank you to Janet and Anne for organising another marvellous day. Also of special mention was Tom Boyd's adventure to Lake Catani, another wonderful day event which was enjoyed by all of those who attended. Thank you Tom for your meticulous organising before and during this event. Tom is also planning our visit to the Uiver, to help celebrate the 90th anniversary on Saturday October 26th.

Our Editor, Bob Bevan has introduced an amazing series called 'Winding Back the Clock' as part of each Cough & Splutter which allows us to get a understanding of our fellow members association with petrol engine powered machinery. He has currently published ten articles, with the willing participation of Barrie Wilson, Tom Boyd, Jim & Cathie McDougall, John & Anne Webster, Ken & Helen Paton, David & Chris Crichton, Lloyd Aylward, Lyn & Col Mitchelson, Kevin Day and in this edition of C & S, David & Nerida Cornell. A big thanks go to the members for sharing their memories and photographs of their association with various types of vehicles from early cars to hot rods to tractors. This wouldn't have happened except for Bob converting their stories into enjoyable articles. Thank you very much Bob for your endeavours and I look forward to many more enjoyable stories in the future.

This year, Inspection Day will be held on the 24<sup>th</sup> November and will be followed by an out-of-town BYO lunch to eat in very pleasant surroundings on the property of Paul Payne & Kylie King. Janet McMahon and Anne Webster are planning this year's Christmas Party, which will be held on the 8<sup>th</sup> December at the Thurgoona Golf Club. Further details on both events are in the Cough & Splutter.

## Southern Riverina Vehicle & Machinery Club Finley Event

Sunday 22th September 2024

ACCAW Member attending: Bob Bevan – 1943 Ford Jeep and Bantam Military Trailer & 1975 XB GT 351 Ford Falcon

This vehicle / bike / truck / tractor and machinery event, organised by the Southern Riverina Car and Machinery Club was in the Show & Shine format, held at the Finley Showground Complex on the south end of town. It was terrific to see this event extremely well supported, in perfect weather conditions. A gathering of 230+ cars, trucks, tractors and motor bikes far exceeded the expectations of the Finley based Club. Conducted in conjunction with the Show and Shine was a Swap Meet with approximately 40 stalls operating, music being played, raffles with approximately 15 magnificent prizes and trophies for vehicle entrants for the top 12 vehicles entered plus a number of special categories. There was even a best decorated bicycle section for children's bikes. Overall, a very well organised event which was conducted at a superb venue and certainly well worth attending.

The selection of photos below depicts the happenings on the day.

Long term ACCAW Member Kevin Day taking on his next project, following his recent retirement. Now that Kevin has ample hours to spend in the shed each day, Kev has deemed that after 30 years of ownership, his 1967 MGB Mk 1 has qualified for a complete refurbishment so he has started on a ground up restoration. Can't wait to see the finished product mid next year!

## ***Winding Back the Clock—ACCAW Style No 10 — David & Nerida Cornell***

Another look into the past—David & Nerida Cornell joined the ACCAW in July 1982, after moving to Albury from Sydney, in order to take up the roll of a Manager & Engineer position of a local company. David, when residing in Sydney completed an apprenticeship as a motor mechanic, specialising in Diesel Engineering. At this time, David became involved in ‘Timed Lap Dash Racing’ and ‘Hill Climbing’ at Oran Park and Amaroo Race Tracks, hence his interest in cars, bikes and motors. David and Nerida had previously visited Albury on numerous occasions to visit friend Colin Rawlings, who was a member of the ACCAW. David and Nerida moved to Albury in 1978 when David took up a position as Sales Manager & Engineer for Marine Industrial Transmission, then later ran his own business specialising in industrial and marine transmissions. It was at this point, Colin Rawlings invited David and Nerida to join our club, which then leads us into David’s 44 year association with the ACCAW.

For the records, David has served as President of the ACCAW on 3 separate occasions—1988-89, 2012 & again in 2017-18. As Secretary in 1985 and again in 1997-98. David has served as a Committee Member for countless years and was appointed as a ACCAW Inspection & Compliance Officer, a position which he has held for in excess of 40 years. David and Nerida were also responsible for organising and planning numerous Club Rallies and Events, including the infamous ACCAW ‘Booligal Rallies’ & a ‘Bay to Birdwood’ trip. This continuous involvement and commitment culminated in David being awarded Life Membership of the ACCAW in 2000.

**Above: 1953**—An image of David’s first road vehicle, a 1952 Lambretta LD, which he purchased against his father’s wishes after receiving his NSW Licence at the age of 16yrs and 10 months. David used this vehicle to ride to work each day during his apprenticeship. This Lambretta was highly modified to racing standards, running on ethanol fuel and was capable of travelling at speeds in excess of 100 mph. After falling off the scooter on numerous occasions and even being knocked off by a caravan, David eventually deregistered the scooter and placed it in storage whilst he completed his National Service Training in 1957.

**Above: 1958**—After completing National Service Training David proceeded to acquire several vehicles. A 1937 Hillman Minx (left) and a 1953 FX Holden (centre), pictured here in the back yard of David’s mother’s house in Angus Avenue West Epping, a suburb of Sydney. The FX was David’s daily driver and upon marrying Nerida in 1962 was driven on their honeymoon to Kingaroy Qld. David later sold the Hillman to Nerida’s cousin in 1961. The Hillman on the right belonged to one of David’s close friends at the time.

**Right: 1959**—Nerida relaxing on the bonnet of David’s 1937 Hillman Minx whilst courting on a weekend drive in the Sydney area.

**Above left: 1965**—No 58 Formula ‘R’ Racing Renault, which was totally built by David and used in Hill Climb events and Timed Lap Dash trails at Oran Park and Amaroo Park in Sydney. At the time, this was the fastest car in its’ category in Australia. Unfortunately David managed to prang the Renault—after repairs, David sold the vehicle so as to build a Brabham BT 23 replica (No 85), which he built from scratch and raced for 11 years before selling the vehicle to his brother in 1978 when David and Nerida moved to Albury. **Pictured above right** is David racing the Brabham at Amaroo Park in 1977. David & Nerida Cornell's story continues:

**Photo above: 2008** - After a frustrating 18 year restoration, David & Nerida's 1929 Durant Model D60 Sports Roadster glides over the road network at Noreuil Park, South Albury during a photo shoot for the Border Mail Newspaper. This interesting story of the history and refurbishment of the Durant will feature in a future addition of the Cough & Splutter.

**Photo Above: Oct 2018**—Dean Street Albury. David's Durant in the background after chauffeuring Charlie Chapman to the Cinema Centre and near by QE II Square, during the Guinness Book of Records world record attempt, when 663 people gathered dressed as Charlie Chapman and were successful in breaking the record previously set in Switzerland.

**Above: 1985**—Together, David and Peter restored this 1967 HB Torana, which when finished was used by Peter as a daily driver, hence the number plates 'PC'. Photo taken in Springdale Heights.

**Above: 2024**—David with son Peter and daughter in law Nicole, arrive at the Australia Day Celebration at Wymah Recreation Reserve in David's most recent car, the 1966 Humber Super Snipe Series V.

*Thank you David for rounding up these memorable photographs from your extensive archives, so as to provide our Club Members and readers with a fascinating insight into your vast knowledge and connection with the car and motor industry over an extensive period of time, spanning some 8 decades. Congratulations.*

## ***Bald Archy Road Trip to Corowa via Rutherglen - Sunday 8th September***

The 2024 Bald Archy travelling Exhibition was hosted by Corowa Art Space from September 7 to October 6. Known for its' humorous and irreverent take on portraiture, the Bald Archy Prize celebrates wit and satire, often poking fun at prominent Australians from various fields such as politics, sports and media. This year's exhibition featured 40 portraits, including those of Bob Katter, Jacinta Price and Scott Cam. The winner this year being Judy Nadin's caricature of Australian Soccer star Sam Kerr, titled 'Flippin Kerfection'. Local artist from Corowa Michael Mack entered 3 pieces of work in this year's competition.

The competition, now in its' 28th year, was the reason for our planned ACCAW road trip to Corowa via Rutherglen, which was superbly organised by Janet McMahon & Anne Webster. After a stop over at the 'Caffine Machine' in Rutherglen for morning tea and a quick look at the latest exhibits in the attached museum, we moved onto the Corowa Art Space to view the Bald Archy Exhibition. Following this, we continued to Club Corowa where we enjoyed a very pleasant lunch—some members took the opportunity to view the near by Car Show & Shine in the adjacent RSL Car Park.

All in all, a wonderful day was experienced by all of the 20 Club Members that attended. Thank you Janet McMahon and Anne Webster for organising such a superb outing for our members.

## ***Breakfast with our Members—Sunday October 6th—Thurgoona Golf Club***

After breakfast and much discussion, some Members took the opportunity to take there club cars for a drive, before heading home.
