President's Prattle June 2024

Julie's Wolseley is back on the road with an exhaust which reaches all the way to the back again so I am down to getting the Overland sorted with spark at the right time and place and the fleet will be mobile again.

Julie and I headed south on the 8th along with the Alldays to attend John Tenniswood's funeral in Kingston. He was given a great send off and it was a pleasure to have his old car there for the occasion. He always had a soft spot for the car he put so much effort into restoring.

I know I am sounding like a cracked record but if you the members of the Club want it to thrive into the future and continue to provide us with the benefits we all gain from it, then please see if you can take on one of the positions that need filling in your section or the vital spot of Executive Secretary. It is not in the best interests of the Club or it's members for these positions to be held by the same people for too long because it all tends to get stale and not keep up with changing attitudes and values of the membership.

By the time you get this we will have had the exec meeting on May 26 at which we will have to discuss the renewal forms and how to get them to you. In the past they have been included in Small Torque, either as a slip in extra or as the address page. Both of these options have led to forms being lost or chucked out by a large proportion of our members, making a lot of extra work for section treasurers. This year due to the new address labelling system we can't put the personalised renewal as the cover of Small Torque so we will probably have to do a separate mail out. If we do it this way we may even save the forms from the garbage bin and not have to send out so many duplicates. Remember it is important that the completed forms are returned by whatever means to your section treasurer. If the form and the subs are not sent in time your membership will cease at the cut off date as per the constitution.

Another hassle we hope will not occur this year is the misplacing of membership cards which are now needed to prove your right as a member to have VC rego. Transport have decided that rather than having a blue form issued for each rego renewal that the card issued by your section treasurer would be accepted as proof of eligibility for VC renewals. So please put them in your wallet or some safe place where you can find them as needed.

Safe motoring, Joe

NEW MEMBER

Southern Section welcome Jim Godfrey of Kingston to the Club. Jim has a 1978 Land Rover Station Wagon.

John Tenniswood -- Eulogy

John passed away on 4th May, 2024.

John was a very long-time member of the Veteran Car Club; his membership predated your scribe by a number of years; possibly verging into the 1950s. At that time, he and his wife Judith attended most events in their magnificent 1921 Daimler Tourer which suffered a dreadful fate when it was a victim of the 1967 bushfires that ravished the State and left it a liquid aluminium and steel ruin, far beyond any hope of retrieval.

He also acquired, early in his membership of the Club, a veteran Alldays and Onions which consumed a long period of restoration and which is now in the hands of our Club President.

He was always happy to give assistance and advice to any member seeking help.

He was Executive Secretary of the Club for the years 1968, 69 and 70 and served on the Southern Sectional Committee in various positions over the years.

All members will join with me in conveying our very sincere condolences to his surviving wife, Judith.

Brian Cullen

Sunday 5th May – Country Run to Berry Farm

Some of our prospective new members joined the NW members for a delightful run. From our club rooms at Maskell's Road we headed inland, towards Gunns Plains, appreciating the countryside, fresh air and sunshine, while enjoying the windy roads (and occasional hill).

All too soon we were heading back towards the coast, with breath-taking views overlooking the fields towards Bass Straight.

We ended our drive at The Berry Patch, the perfect spot for afternoon tea, an ice cream and lots of conversations.

A great way to spend Sunday afternoon. Thank you to all who attended and came to our General Meeting, it's awesome that we get to catch up regularly.

We'd also like to thank the prospective new members. It was so nice to meet you all and we sincerely hope you consider joining our community if you haven't already done so.

Finally and most importantly - thank you to Laurie Bellchambers who organised this run.

FEBRUARY 2025

14th /15th /16th Don River Railway 50th Birthday

Southern Section Visit to Bob Waddilove/Tony Langlois' sheds – Sunday 28th April.

A very well supported visit to these very full sheds, with lots of intriguing items and machinery

– it was fascinating. One of our members even learnt a little bit on the use of an English Wheel.

We were also treated to a super BBQ lunch with all the trimmings – and the weather was superb too.

Our thanks to Bob, Tony and their partners for their hospitality.

Roger Sly

Life members John Goninon and Brian Cullen, enjoying the great day and the cars on show at Bob Waddiloves shed.

Sunday 5th May Picnic at Ross

The most perfect Autumn Day made Ross Township shine at this event. A large gathering of car makes and models filled the main and side streets. The shops were buzzing and full, with people sitting around totally enjoying the pleasant and pretty surroundings. Trees were splendid with leaves falling making it a true picturesque event.

Villarett Gardens - Thursday May 16th

The Western Tiers backdrop never fails to impress, as we made our way backroading to the Villarett Gardens. No traffic made this splendid journey as pleasant as it gets, driving from the starting point to our lunch spot destination on such a day. The meals were faultless as always, and what a great Autumn Run this year. Plenty of time to catch up with the northwest members in attendance and great to see a good rollup. We can only await the next run to this venue.

Gary Guiver

After being married for 50 years, I took a careful look at my wife one day and said “Fifty years ago we had a cheap house, a junk car, slept on a sofa bed and watched a 10 inch black & white TV, but I got to sleep with a hot 23 year old girl every night.

Now I have an expensive home, a terrific car, a nice big bed and a large screen TV, but I’m sleeping with a 73 year old woman. It seems to me that you’re not holding up your side of things.

My wife is a very reasonable woman. She told me to go out and find a hot 23 year old girl and she would make sure that I would once again be living in a cheap house, driving a junk car, sleeping on a sofa bed and watching a 10 inch black & white TV.

Aren’t older women great? They really know how to solve an old guys problems.

For Sale and Wanted ads will be published just once. If you want it to run again the next month, because you haven’t sold it, or you’re still looking, you’ll have to let your Section Editor know.
